Promotion Period: January 1, 2027 to March 31, 2027 (Pacific Time) | Posted at pokervault.com/rules and in the App (Settings → About & Legal)

NO PURCHASE NECESSARY TO ENTER OR WIN. A PURCHASE OR PAYMENT OF ANY KIND WILL NOT INCREASE YOUR CHANCES OF WINNING.

Open only to legal residents of the 50 United States and the District of Columbia who meet the minimum age for the state where they live: 18 (19 in AL and NE; 21 in AZ and MS). Void in Puerto Rico, all other U.S. territories and possessions, and where prohibited or restricted by law. Subject to all federal, state, and local laws.

Disputes are resolved by individual binding arbitration, and class actions are waived, except as stated in Section 17.

Apple Inc. is not a sponsor of, affiliated with, or involved in this sweepstakes in any manner.

1. Sponsor, Administrator, and Agreement to These Rules

- (a) **Sponsor.** The PokerVault Q1 2027 Sweepstakes (the "Sweepstakes") is sponsored by PKV Tech Inc., doing business as PokerVault, 5965 Village Way, Suite E105-247, San Diego, CA 92130 ("Sponsor," "PokerVault," "we," or "us").
- (b) **Administrator.** MOMARES, LLC ("Sweeppea"), 1680 Michigan Ave., Suite 700 #475, Miami Beach, FL 33139 ("Administrator"), an independent sweepstakes administrator, administers the free Alternate Method of Entry (Section 4(d)), conducts every random drawing, and issues the drawing record. Sponsor handles winner notification, verification, and prize fulfillment.
- (c) **Agreement.** By entering, you agree to these Official Rules ("Rules") and to the decisions of Sponsor and Administrator, which are final and binding on all matters relating to the Sweepstakes when made in accordance with these Rules. If you enter through the PokerVault mobile application (the "App") or the PokerVault Store, you have also agreed to Sponsor's Terms of Service (pokervault.com/terms). Sponsor's Privacy Policy (pokervault.com/privacy) explains how Sponsor handles personal information. If these Rules conflict with any advertising, promotional material, or other terms, these Rules control.

2. Promotion Period and Weekly Entry Periods

- (a) The Sweepstakes begins at 12:00:00 a.m. Pacific Time ("PT") on January 1, 2027 and ends at 11:59:59 p.m. PT on March 31, 2027 (the "Promotion Period"). "PT" means Pacific Standard Time or Pacific Daylight Time, whichever is in effect on the relevant date.
- (b) The Promotion Period is divided into thirteen (13) weekly entry periods (each, a "Weekly Entry Period"). Each Weekly Entry Period begins at 12:00:00 a.m. PT on a Friday and ends at 11:59:59 p.m. PT on the following Thursday, except that Weekly Entry Period 13 begins at 12:00:00 a.m. PT on Friday, March 26, 2027 and ends at 11:59:59 p.m. PT on Wednesday, March 31, 2027. Schedule B lists every Weekly Entry Period and drawing date.
- (c) Sponsor's server clock is the official time-keeping device for Methods A and B, and Administrator's server clock is the official time-keeping device for Method C.

- (d) **Only Entries earned during the Promotion Period count.** Entries, points, or other credits earned or displayed in the App before 12:00:00 a.m. PT on January 1, 2027, including any preview or test count, are not Entries in this Sweepstakes, have no value, and reset to zero when the Promotion Period begins. The only exception is the three one-time activities described in Section 5(a), which are added to your account when the Promotion Period begins if they were completed earlier. Entries do not carry over to any other promotion.

3. Eligibility

- (a) The Sweepstakes is open only to natural persons who, when they earn each Entry, (i) are legal residents of, and physically located in, one of the fifty (50) United States or the District of Columbia, and (ii) meet the minimum age for the state where they live: **18 years of age; 19 in Alabama and Nebraska; and 21 in Arizona and Mississippi**. These minimum ages apply based on the state where the entrant lives, not the state where the entrant happens to be when entering.
- (b) The following persons are not eligible: (i) officers, directors, employees, and contractors of Sponsor, Administrator, their parents, subsidiaries, and affiliates, and any advertising, promotion, or fulfillment agency involved in the Sweepstakes (together, the "Promotion Entities"); (ii) the immediate family members (spouse or domestic partner, parents, grandparents, siblings, children, and grandchildren, and each of their spouses, wherever they live) and household members (related or not) of any person in (i); and (iii) any person on a U.S. government sanctions list administered by the Office of Foreign Assets Control.
- (c) Void in Puerto Rico, all other U.S. territories and possessions, and wherever prohibited or restricted by law.
- (d) **One person, one identity.** Each person may participate through only one PokerVault account and one identity, and may earn Entries only personally.
- (e) **Entrants who move.** Eligibility, including the minimum age, is determined by the state where the entrant lived when each Entry was earned. A potential winner who has since moved, including outside the United States, may still claim a prize if eligible when the winning Entries were earned; Sponsor may request reasonable proof of residency for that time. Prize Gift Card merchandise ships only to addresses the Store serves.

4. How to Enter

There are three (3) ways to earn entries ("Entries") during the Promotion Period. **Methods A and C are free.** Every eligible Entry has the same chance of selection in a drawing, however it was earned. Schedule A lists every method, amount, and limit.

- (a) **Account confirmation (Methods A and B).** To earn Entries in the App or the Store, you need a free PokerVault account, and you must check the following box, which is presented before any account can be created: "☐ I am 18+ (19+ in AL/NE; 21+ in AZ/MS) and agree to the Official Rules, Terms, and Privacy Policy." The ages in that box apply based on the state where you live (Section 3(a)). No Entries are earned until your confirmation is recorded. Downloading the App and creating an account are free; standard message and data rates may apply.
- (b) **Method A: Free in-app activities.** Earn Entries by completing the activities in Schedule A, Part 1, in the amounts and subject to the limits stated there. No purchase is required for any activity. Method A Entries are entered into drawings as described in Section 5(a).
- (c) **Method B: Store merchandise.** Merchandise ordered at the PokerVault Store (merch.pokervault.com) (the "Store") during the Promotion Period earns twenty (20) Entries per whole U.S. dollar of Eligible Purchase Amount, up to a maximum of 1,400 Entries per person per Weekly Entry Period (the "Weekly Purchase Maximum"). Orders beyond the Weekly Purchase Maximum earn no additional Entries. "Eligible Purchase Amount" means the merchandise subtotal

of an order after discounts, excluding taxes, shipping and handling, shipping protection and other add-on services, and gift card products, whether the merchandise is paid for with a payment card or by redeeming a gift card. **Buying a gift card earns no Entries; Entries are earned when a gift card, including a Prize Gift Card won in this Sweepstakes, is redeemed for merchandise.**

Purchase Entries are credited to the PokerVault account linked to the order: the account that is signed in when the order is placed (opening the Store from the App signs you in automatically) or, if none, the account whose registered email address matches the email address used at checkout. If an order cannot be matched to an account, Sponsor will email the checkout email address once to explain how to link it; Purchase Entries for an order linked to an eligible account within seven (7) days after the order is placed, and no later than 11:59:59 p.m. PT on March 31, 2027, are then credited, and otherwise no Entries are credited for that order. Purchase Entries count in the Weekly Entry Period in which the order is placed or, if they are credited after that Weekly Entry Period ends, in the Weekly Entry Period in which they are credited, and they count toward the Weekly Purchase Maximum for that Weekly Entry Period. Orders canceled before shipment earn no Entries, and any Entries already credited for them are void. If an order is refunded in whole or in part, the Purchase Entries for the refunded amount are void and are removed from every later drawing; Entries already used in completed drawings are not affected.

- (d) **Method C: Free Alternate Method of Entry ("AMOE").** Method C is administered by Administrator and is available online only. No App, account, or purchase is required.
- (i) **How to enter:** During a Weekly Entry Period, go to Administrator's free entry form for that Weekly Entry Period, linked at pokervault.com/free-entry. Complete all required fields (full name, email address, U.S. mobile telephone number, mailing address, and state of residence), check the confirmation box shown on the form, complete any bot-protection check the form presents, and submit the form. Administrator records the date and time of each submission.
 - (ii) **Online only:** free entries are accepted only through Administrator's online form. Requests sent by mail, email, text message, social media, or any other means are not accepted and will not be entered.
 - (iii) **Value and limit:** Each valid AMOE request earns 1,400 Entries, equal to the Weekly Purchase Maximum, so that no purchase is ever needed to obtain the maximum number of Entries available through purchases. Limit one (1) AMOE request per person per Weekly Entry Period. The first valid request counts; any additional request by the same person in that Weekly Entry Period, including one made with a different email address or telephone number, is void.
 - (iv) **Timing:** an AMOE request counts in the Weekly Entry Period in which Administrator records it as submitted. Requests submitted after 11:59:59 p.m. PT on March 31, 2027 are not accepted. Incomplete, automated, duplicate, or third-party-submitted requests are void.
- (e) **Prohibited methods.** Entries must be earned by the eligible person personally. Bots, scripts, macros, emulators, multiple or fictitious accounts, virtual private networks or other tools used to misrepresent identity or location, third-party entry services, fraudulent payments or chargebacks, and any other automated or fraudulent means are prohibited; Entries obtained this way are void, and the entrant may be disqualified under Section 14(a).
- (f) **Identity of entrant.** If there is a dispute about who earned an Entry, the Entry is deemed to have been earned by the authorized account holder of the email address of the PokerVault account to which the Entry was credited or submitted on the AMOE form. The "authorized account holder" is the natural person to whom the email provider assigned that address.

5. Entries: Crediting, Records, and Restrictions

- (a) **Crediting and claiming.** Entries earned through Method A ("Activity Entries") are added to your account automatically. If your account has a paid PokerVault membership (if offered), your Activity Entries are also entered into drawings automatically. Otherwise, you enter them by tapping "Claim" in the App; one tap claims all of your unclaimed Activity Entries, and no other step is required. Unclaimed Activity Entries are never forfeited during the Promotion Period; they stay in your account until you claim them. Activity Entries still unclaimed at 11:59:59 p.m. PT on March 31, 2027 are entered automatically in the Grand Prize Drawing only. No purchase or paid membership is required to earn, claim, or win. Entries earned through Method B are entered automatically when credited (Section 4(c)), and Entries earned through Method C are recorded by Administrator when a valid AMOE request is submitted. The App shows the Entries entered in each Weekly Entry Period and your unclaimed Entries. The three one-time activities in Schedule A, Part 1 (create an account and confirm your email address; confirm your mobile phone number; complete your profile), if completed before the Promotion Period, are added to your account at 12:00:00 a.m. PT on January 1, 2027 or, if later, when your confirmation under Section 4(a) is recorded.
- (b) **Where Entries count.** Each eligible Entry counts in (i) the Weekly Drawing for the Weekly Entry Period in which it was earned or, for an Activity Entry entered by claiming, the Weekly Entry Period in which it was claimed, (ii) every later Weekly Drawing in the Promotion Period, and (iii) the Grand Prize Drawing. For example, an Entry earned in Weekly Entry Period 1 counts in Weekly Drawings 1 through 13 and in the Grand Prize Drawing, and an Activity Entry earned in Weekly Entry Period 2 and claimed in Weekly Entry Period 4 counts in Weekly Drawings 4 through 13 and in the Grand Prize Drawing. Entries of a confirmed Weekly Prize winner are excluded from later Weekly Drawings (Section 6(d)) but still count in the Grand Prize Drawing.
- (c) **No value; no transfer.** Entries have no cash value; may not be purchased, sold, traded, transferred, gifted, or combined across accounts; and cannot be redeemed for any product or service. All Entries expire at the end of the Promotion Period.
- (d) **Official records.** Sponsor's Entries ledger is the official record of Entries earned through Methods A and B, and Administrator's records are the official record of Entries earned through Method C. If the App display and the ledger differ, the ledger controls. Sponsor and Administrator may audit Entries at any time and will void Entries earned in violation of these Rules.
- (e) **Suspended, deleted, and terminated accounts.** Entries earned through Methods A and B belong to the PokerVault account to which they were credited and cannot be moved to another account. (i) While an account is suspended or has a pending deletion request, it earns no Entries, its Entries are left out of every drawing held during that time, and no Entries are credited later for that time; if the suspension ends or the deletion request is canceled, its existing Entries count again from the next drawing. (ii) When an account deletion becomes final, or Sponsor terminates an account for a violation of these Rules or the Terms of Service, all Entries credited to that account are void and are removed from every later drawing, and any pending prize is forfeited and offered to the next alternate under Section 10. (iii) Entries are not restored if the person later opens a new account. Entries already used in completed drawings are not affected. Store orders are fulfilled regardless of account status.

6. Drawings and Odds

- (a) **Weekly Drawings.** On or about each date in Schedule B, Administrator will conduct a random drawing (each, a "Weekly Drawing") from all eligible Entries that count in that Weekly Drawing under Section 5(b) to select one (1) potential Weekly Prize winner and five (5) ranked alternates.
- (b) **Grand Prize Drawing.** On or about April 6, 2027, after the final Weekly Drawing, Administrator will conduct one random drawing (the "Grand Prize Drawing") from all eligible Entries earned during the

entire Promotion Period to select one (1) potential Grand Prize winner and five (5) ranked alternates.

- (c) **How selection works.** Each person's chance of selection in a drawing is proportional to that person's eligible Entries in that drawing's pool.
- (d) **Limits.** Limit one (1) Weekly Prize per person during the Promotion Period. A person confirmed as a Weekly Prize winner is excluded from later Weekly Drawings but remains eligible for the Grand Prize Drawing. If a person is selected in more than one Weekly Drawing, only the first confirmed win is awarded and the later selection passes to the next alternate. Limit one (1) Grand Prize.
- (e) **Odds.** The odds of winning a Weekly Prize depend on the number of eligible Entries that count in that Weekly Drawing. The odds of winning the Grand Prize depend on the total number of eligible Entries earned during the Promotion Period.

7. Prizes

- (a) **Weekly Prizes (13).** One Weekly Prize will be awarded for each Weekly Entry Period. Each Weekly Prize is a \$100.00 PokerVault Store digital gift card. Approximate retail value ("ARV"): \$100.00 each; \$1,300.00 for all thirteen.
- (b) **Grand Prize (1).** One Grand Prize will be awarded, once, from the Grand Prize Drawing after the Promotion Period ends. The Grand Prize is a \$500.00 PokerVault Store digital gift card. ARV: \$500.00.
- (c) **Prize Gift Card terms.** Each Weekly Prize and the Grand Prize is a "Prize Gift Card," which: (i) is redeemable only for physical merchandise at the Store; (ii) is not redeemable for cash or credit except where required by law; (iii) cannot be used to buy Entries (which are never sold), memberships, digital or in-app items, or other gift cards; (iv) has no expiration date and no fees; (v) keeps any unused balance; (vi) if an order total, including sales tax, exceeds the card balance, may be combined with another payment method, or the winner may choose items within the balance; (vii) is subject to the Store's shipping policy in effect at the time of redemption; (viii) earns Entries under Method B, subject to the Weekly Purchase Maximum, when redeemed for merchandise during the Promotion Period; (ix) is not Sponsor's responsibility if lost, stolen, or used without authorization after delivery to the verified winner's email address; and (x) is issued for promotional purposes. Each Prize Gift Card is emailed to the verified winner within ten (10) business days after verification.
- (d) **Total ARV of all prizes: \$1,800.00.**
- (e) **General prize conditions.** Prizes are awarded "as is," without warranty of any kind from Sponsor, except as required by law. Winners may not transfer, assign, or substitute a prize. If a prize becomes unavailable for reasons beyond Sponsor's control, Sponsor will substitute a prize of equal or greater value. No more than the stated number of prizes will be awarded.

8. Winner Notification

- (a) **Notification (one step, two methods).** Within two (2) business days after the applicable drawing, Sponsor will notify each potential winner, at the same time, by: (i) email from winners@pokervault.com to the email address associated with the potential winner's account or AMOE request; and (ii) for App users, an in-app message. Sponsor does not notify winners of this Sweepstakes by text message or telephone call.
- (b) **Claim Deadline.** To claim a prize, the potential winner must, by 11:59:59 p.m. PT on the fifth (5th) calendar day for a Weekly Prize, or the seventh (7th) calendar day for the Grand Prize, after Sponsor sends the notification (the "Claim Deadline"): (i) respond by email from the email address associated with the entry, either by replying to Sponsor's email or by writing to winners@pokervault.com; and (ii) complete every step in Section 9(a). The in-app message directs

the potential winner to respond by email; an action in the App alone is not a response. Sponsor records the date, time, method, and outcome of every notification and response.

- (c) **Reminders and expiry notices.** Sponsor may send reminders before the Claim Deadline by email and in-app message. If a prize passes to an alternate, Sponsor will tell the original potential winner by email.
- (d) Notification as a potential winner is not a guarantee of a prize. A prize is awarded only after verification under Section 9.
- (e) Sponsor is not responsible for notifications that are not received because of inaccurate contact information, spam or junk-mail filters, device or notification settings, or other causes outside Sponsor's control. Potential winners should check spam and junk folders for email from winners@pokervault.com.

9. Verification and Prize Claim (All Prizes)

- (a) **Verification.** By the Claim Deadline, the potential winner must: (i) electronically sign the Winner Declaration of Eligibility, Release & Prize Acceptance, confirming full legal name, current residential address, state of residence (and, if different, the state of residence when the winning Entries were earned), and the email address for delivery of the Prize Gift Card; (ii) electronically sign the Winner Publicity Release described in Section 13(b), except where prohibited by law; and (iii) upload a clear image of a valid, unexpired government-issued photo identification to the secure third-party identity verification platform designated by Sponsor (the "Verification Platform"), which confirms the potential winner's identity, age, and residency. If the address on the identification is not the potential winner's current address, the potential winner must also upload, through the Verification Platform, proof of current residency dated within the preceding sixty (60) days (for example, a utility bill, bank statement, lease, or government correspondence) showing the same name.
- (b) **Document-based verification only.** Neither Sponsor nor the Verification Platform will use facial recognition or collect biometric identifiers or biometric information. Identification documents are used only to verify eligibility and, if the winner chooses that option under Section 13(b), to create a cropped photo, and are deleted as described in Sponsor's Privacy Policy.
- (c) **One chance to fix.** Sponsor aims to review submissions within two (2) business days. If Sponsor finds a problem (for example, a blurry ID or a name that does not match), Sponsor will notify the potential winner by email and in-app message, and the potential winner may correct it once, within two (2) calendar days after that notice, even if the Claim Deadline has passed.
- (d) **Disqualification.** A potential winner is disqualified, and the prize is offered to the next alternate under Section 10, if the potential winner: (i) does not respond and complete every step in Section 9(a) by the Claim Deadline, including signing the Winner Publicity Release except where prohibited by law; (ii) does not correct a problem within the period in Section 9(c); (iii) is ineligible or is not in compliance with these Rules; (iv) provides false, incomplete, or unverifiable information; or (v) declines the prize. A notification returned as undeliverable is treated as a non-response.
- (e) **No payment, ever.** Sponsor will never require any payment, purchase, or financial account information to claim a prize. Sponsor does not ask for a Social Security number unless tax reporting is required by law (Section 11).

10. Alternate Winners: All Prizes Will Be Awarded

If a potential winner is disqualified or declines a prize, Sponsor will offer the prize to the next ranked alternate from the same drawing, who will be notified and verified under Sections 8 and 9, with new deadlines running from Sponsor's notification to that alternate. If all ranked alternates are exhausted, Administrator will conduct an additional random drawing from the remaining eligible Entries in the same

pool, and Sponsor will repeat this process until the prize is awarded. **Every prize described in these Rules will be awarded.**

11. Taxes

- (a) Prizes are taxable income to winners regardless of value. Winners are solely responsible for all federal, state, and local taxes on their prizes.
- (b) The most any one person can win in this Sweepstakes is \$600.00 (one Weekly Prize and the Grand Prize), which is below the federal information-reporting threshold for prizes (\$2,000 for payments made after December 31, 2025, subject to inflation adjustment beginning in 2027). Sponsor will nevertheless issue IRS Form 1099-MISC, and any state information return, if required by law, including where a winner's total prizes from Sponsor during calendar year 2027, across all Sponsor promotions, meet or exceed the applicable threshold.
- (c) If a return is required, the winner must provide a completed IRS Form W-9 through Sponsor's secure verification platform before the prize that triggers the requirement is awarded. A winner who does not do so is disqualified under Section 9(d).
- (d) Sponsor does not provide tax advice.

12. Privacy and Marketing Use of Information

- (a) **Privacy.** Sponsor collects and uses entrant information to administer the Sweepstakes and as described in its Privacy Policy (pokervault.com/privacy). Sponsor shares entrant information with Administrator to conduct drawings and with service providers that help operate the Sweepstakes (for example, the Store platform and the Verification Platform), and discloses winner information publicly only as described in Sections 13 and 18. Information submitted on the AMOE form is collected by Administrator on Sponsor's behalf, is provided to Sponsor for the purposes described in these Rules, and is also subject to Administrator's privacy policy (www.sweeppea.com/privacy-policy).
- (b) **Marketing use.** By entering, you agree that Sponsor may use the information you provide, including your name, email address, mailing address, and state, to send you marketing communications about PokerVault products, services, and promotions by email, push notification, and in-app message, and to personalize and measure its marketing, as described in the Privacy Policy. You may unsubscribe from marketing emails at any time through the link in any marketing email and may turn off push notifications in your device settings. Unsubscribing does not affect your Entries or your eligibility to win.
- (c) **No prize texts.** Sponsor does not notify winners or administer prizes in this Sweepstakes by text message. Any text message claiming that you have won a prize in this Sweepstakes is not from Sponsor; report it to support@pokervault.com.

13. Winner Name and Photo

- (a) **Name display: first name and last initial only.** Except where prohibited by law, by accepting a prize, a winner agrees that Sponsor may publish the winner's first name and the first initial of the winner's last name (for example, "Jordan S."), together with the prize won, on Sponsor's winners page and winners list, which are kept as a permanent public record. Sponsor never publishes a winner's full last name, address, city, contact information, or identification details.
- (b) **Publicity Release required.** Except where prohibited by law, each potential winner must electronically sign Sponsor's Winner Publicity Release as a condition of receiving a prize. In it, the winner gives written consent for Sponsor to use the winner's first name and last initial, the prize won, and one photo of the winner to announce and celebrate winners and to advertise PokerVault and its products, services, and promotions in the App, on Sponsor's websites, in emails, on

Sponsor's social media accounts, and in advertising, in any media now known or later developed, worldwide and in perpetuity, without further compensation. This consent is permanent and may not be withdrawn, except as stated in Section 13(e). The winner chooses the photo: (i) a photo of the winner that the winner uploads; (ii) a cropped image of the winner's face from the identification submitted under Section 9, showing no other information from that identification; or (iii) for App users, a copy of the winner's PokerVault profile photo, if it shows the winner, saved when the Winner Publicity Release is signed. Any photo is displayed only with the winner's first name and last initial.

- (c) **Optional video or comment.** A winner may choose, but is not required, to provide a short video or written comment about winning. If provided, Sponsor may use it on the same terms, and Sponsor will identify the winner as a Sweepstakes winner whenever it uses the winner's statements.
- (d) **Where prohibited.** If the law of a winner's state prohibits conditioning a prize on a publicity release, signing the Winner Publicity Release is optional for that winner and declining has no effect on the prize.
- (e) **Safety requests.** If a winner has a personal-safety concern, Sponsor will, within ten (10) business days after a request to winners@pokervault.com, replace the winner's photo in materials Sponsor controls with a non-identifying image. The winner's first name, last initial, and prize remain listed.

14. General Conditions

- (a) **Disqualification.** Sponsor may disqualify any entrant who (i) tampers or attempts to tamper with the entry process or the operation of the Sweepstakes, the App, the Store, or any Sponsor website; (ii) violates these Rules or Sponsor's Terms of Service; (iii) uses fraudulent means, including those described in Section 4(e); or (iv) threatens or harasses Sponsor, Administrator, or any other entrant. Sponsor documents the reason for every disqualification.
- (b) **CAUTION: ANY ATTEMPT TO DELIBERATELY DAMAGE ANY APP OR WEBSITE OR TO UNDERMINE THE LEGITIMATE OPERATION OF THE SWEEPSTAKES MAY VIOLATE CRIMINAL AND CIVIL LAWS. SPONSOR RESERVES THE RIGHT TO SEEK DAMAGES AND OTHER REMEDIES TO THE FULLEST EXTENT PERMITTED BY LAW.**
- (c) **Impairment.** If fraud, technical failure, a security breach, or any other cause beyond Sponsor's reasonable control corrupts or impairs the administration, security, fairness, or integrity of the Sweepstakes, Sponsor may suspend the affected portion of the Sweepstakes and award the affected prizes by random drawing from eligible, non-suspect Entries earned before the impairment. Notice will be posted at pokervault.com/rules.
- (d) **No changes after start.** These Rules will not be changed after the Promotion Period begins, except as required by law.
- (e) **Excess claims.** If an error of any kind results in more prize claims than prizes, Sponsor will award no more than the stated number of prizes, by random drawing among eligible claimants.
- (f) Sponsor's failure to enforce any term of these Rules is not a waiver of that term.

15. Release and Limitation of Liability

- (a) "Released Parties" means Sponsor; Administrator; the Verification Platform provider; Apple Inc.; all prize suppliers; and each of their parents, subsidiaries, affiliates, officers, directors, employees, and agents.
- (b) By entering, each entrant releases and holds harmless the Released Parties from any claim arising out of participation in the Sweepstakes or the acceptance, possession, use, or misuse of any prize, including claims for personal injury, death, or property damage and, except where prohibited by law, claims based on rights of publicity, defamation, or invasion of privacy. This release does not

apply to claims arising from a Released Party's fraud, gross negligence, or willful misconduct, to any use of a winner's photo or name beyond what Section 13 permits, or to the extent prohibited by law.

- (c) Released Parties are not responsible for incorrect or inaccurate entry information; technical failures of any telephone network, computer system, server, provider, or software; unauthorized human intervention; errors in administering the Sweepstakes or processing Entries, except as corrected under these Rules; or cancellation or postponement caused by weather, fire, pandemic, war, terrorism, labor dispute, government action, or other events beyond their control.
- (d) **TO THE FULLEST EXTENT PERMITTED BY LAW, THE RELEASED PARTIES WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES ARISING OUT OF THE SWEEPSTAKES. SOME STATES DO NOT ALLOW THESE LIMITATIONS, SO THEY MAY NOT APPLY TO YOU.**
- (e) **California Civil Code § 1542.** To the extent permitted by law, entrants waive the protection of California Civil Code § 1542, which states: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."
- (f) **New Jersey residents:** nothing in these Rules limits any right or remedy that cannot be waived or limited under New Jersey law, including the recovery of damages or attorneys' fees where mandated by statute.

16. Platform Disclaimers

- (a) **Apple Inc. is not a sponsor of, affiliated with, or involved in this sweepstakes in any manner.**
- (b) This Sweepstakes is not sponsored, endorsed, or administered by, or associated with, any social media platform.

17. Disputes, Arbitration, and Governing Law

- (a) **Governing law.** These Rules and the Sweepstakes are governed by the laws of the State of California, without regard to its conflict-of-law rules. The Federal Arbitration Act governs Section 17(c) to (e).
- (b) **Informal resolution first.** Before starting an arbitration or court case, a party must send the other a written notice describing the dispute and the relief requested and allow thirty (30) days for informal resolution. Send notices to Sponsor at support@pokervault.com (subject: "Sweepstakes Dispute") and 5965 Village Way, Suite E105-247, San Diego, CA 92130.
- (c) **Individual arbitration.** Except for (i) claims that qualify for small claims court and (ii) requests for public injunctive relief, any dispute arising out of or relating to the Sweepstakes or these Rules will be resolved by binding individual arbitration administered by the American Arbitration Association ("AAA") under its Consumer Arbitration Rules and, where applicable, its supplementary rules for mass or multiple case filings, in effect when the arbitration is filed. The arbitrator may award the same individual relief a court could award. Sponsor will pay AAA filing, administration, and arbitrator fees as the AAA Consumer Arbitration Rules require. The arbitration will take place in the county where you reside, or by telephone or video. **BY AGREEING TO ARBITRATION, YOU AND SPONSOR EACH WAIVE THE RIGHT TO A JURY TRIAL FOR CLAIMS SUBJECT TO ARBITRATION.**
- (d) **CLASS ACTION WAIVER.** CLAIMS MAY BE BROUGHT ONLY IN AN INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY CLASS, COLLECTIVE, OR REPRESENTATIVE PROCEEDING. If this waiver is found unenforceable as to any claim, that claim will be decided by a court, not an arbitrator.

- (e) **Opt-out.** You may opt out of this Section 17(c) and (d) by emailing support@pokervault.com (subject: "Arbitration Opt-Out") within thirty (30) days after you first enter, stating your name and that you opt out. Opting out does not affect your Entries. If you have validly opted out of arbitration under Sponsor's Terms of Service, that opt-out also applies here.
- (f) **Public injunctive relief; venue.** Requests for public injunctive relief will be decided by a court after any arbitrable individual claims are resolved. Any claim not subject to arbitration will be brought exclusively in the state or federal courts located in San Diego County, California.
